- a. All Protected Disclosures reported under this Policy will be thoroughly investigated by the Compliance Officer/ Chairman of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee.
- b. The Compliance Officer/ Chairman of the Audit Committee may at its discretion, consider involving any member of the Audit Committee or any Investigators for the purpose of investigation.

- c. The decision to conduct an investigation taken by the Compliance Officer/ Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Compliance Officer/ Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such cooperation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Compliance Officer/ Investigators and/or members of the Audit Committee and/or the Whistle Blower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.

No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

## **8. Protection**

- a. No unfair treatment will be meted out to a Whistle Blower by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.
- b. A Whistle Blower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.

- c. The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law. Whistle Blowers are cautioned that their identity may become known for reasons outside the control of the Compliance Officer/ Chairman of the Audit Committee (e.g. during investigations carried out by Investigators).

Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.
- c. Investigations will be launched only after a preliminary review which establishes that:
  - i. the alleged act constitutes an improper or unethical activity or conduct; and
  - ii. either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review, but investigation itself should not be undertaken as an investigation of an improper or unethical activity.

## **10. Decision**
